FALL 2015 EDUCATIONAL OUTREACH TOUR

Told in under 50 minutes, this coming-of-age story is played out by three actors who introduce us to high school freshman Alice, her friend and math tutor Charlie Rabbit (the White Rabbit), and the not-so-nice but ever smiling senior Kat (the Cheshire Cat), just to name a few, as they wind their way through the hallways of high school life on the way to growing up.

Since 2003, our Education Outreach Tour has appeared in 75 communities across the Big Sky State!
