

Brontë
TO THE
FUTURE!

BY LARAMIE DEAN

Told in under 55 minutes, this engaging and relevant new comedy is played out by two actresses, and the theatrical appearance of their many suitors, as they struggle with all the same issues teens have today: relationships, authority figures, and peer pressure. Having watched the play, students can compare and contrast the original novels with the play and discuss both the Gothic novel and the Romantic genre.

Since 2003, our Education Outreach Tour has appeared in 75 communities across the Big Sky State!
