

# Raised in the Saddle

The Phantasmagorical Journey of a Future Rodeo Queen

BY JAY KETTERING

## FALL 2017 EDUCATIONAL OUTREACH TOUR

**Told in under 55 minutes**, this comedy rolls across the Big Sky state via steam locomotive, following teenage cowgirl Alice Greenough as she encounters a who's-who list of famous Montanans. Alice will need that 'iron will' she's known for, because this train ride will prove every bit as exciting and challenging as sticking to the 1,200 pounds of buckin', snortin', and kickin' muscle that's waiting to greet her at her first rodeo competition!

Since 2003, our Education Outreach Tour has appeared in 75 communities across the Big Sky State!
