Raised in the Saddle

*The Phantasmagorical Journey
of a Future Rodeo Queen*

BY JAY KETTERING

FALL 2017 EDUCATIONAL OUTREACH TOUR

Told in under 55 minutes, this comedy rolls across the Big Sky state via steam locomotive, following teenage cowgirl Alice Greenough as she encounters a who's-who list of famous Montanans. Alice will need that 'iron will' she's known for, because this train ride will prove every bit as exciting and challenging as sticking to the 1,200 pounds of buckin', snortin', and kickin' muscle that's waiting to greet her at her first rodeo competition!
